High Stability New Lamp Increase Stability

Every user realize that the light bulb is one of the significant component of a projector. Lamp life and the quality of a projection is highly determined by the efficiency of the lamp. Vivitek Corporation co-operated with Osram, world's top lamp manufacturer, developed a new generation of high efficient lamp that lasts up to 4,000 hours (Eco-Mode).

High Brightness

Improved Images with High Brightness

The need for the high brightness gradually increases because the benefit of having a high brightness can achieve better result if the presenter prefers to have an eye contact with the audience while keeping the ambient lights on.

Filter Free No Anti-Dust Filter Required

Unlike other technology, a projector with anti-dust filter is exposed in the air which causes temperature increment. However, DLP projector has the congenital superiority against dust. Vivitek D935VX/D940VX come with a sealed pure metal optics engine, which keeps filter free and more durable in comparison with plastic components.

Easy Lamp Replacement

Sliding Top Cover: Convenient top loading allows quick and easy lamp replacement

Stunning picture quality

Vivid Wheel III - Enhanced Color Reproduction

- Improve color reproduction.
Enabled video AGC (Automatic Gain Control for video source)

- With AGC, you will enjoy constant output signal from an electronic circuit despite variations in the strength of the input signal

Saving Time, Off & Go!

Full Connectivity HDMI, RJ45 Included

Vivitek Corporation has developed a new education & conference projector. In addition to the mainstream connectivity, we have included HDMI and RJ45 network control to satisfy customer demand for a new full HD content

MODEL :	D935VX	D940VX
Display technology	0.55" 1-Chip DMD	0.7" 1-Chip DMD
Resolution	Native XGA 1024 x 768	
Brightness	3000 Lumens	4300 Lumens
Contrast ratio	2400:1	
Projection distance	Manual Zoom & Manual Focus	
Lens throw ratio	1.9-2.2	1.8-2.1
Projection screen size	23"-300"	24"-300"
Remote control	Fully Featured IR Remote with Laser Pointer and Mouse	
Lamp	230W	280W
Aspect ratio	Native (4:3) & Compatibility (16:9)	
PC compatibility	VGA, VXGA, SVGA, XGA, SXGA, Macintosh	
Video compatibility	EDTV (480p), HDTV (576i/p, 720p, 1080i), NTSC/NTSC 4.43, PAL B/G/H/I/M/N 60, SECAM	
PC input terminals	RGB (D-Sub) x 2, Composite Video (RCA x 1), S-Video (Mini DIN) x 2, Audio RCA x 1, HDMI (V1.3) x 1	
Output terminals	RGB (D-Sub) x 1, Audio Mini-Jack x 1	
Communication terminals	USB (Service), RS-232C x 1, RJ45 x 1	
Keystone correction	Vertical (+/- 15 degree)	
Fan noise level	Eco-Mode/Standard Mode 29dB, 34 dB	34dB, 37 dB
Audio speaker	3W Mono	
Projection method	Front, Rear, Table Top and Ceiling Mount	
Dimensions (w x h x d)	13.2"x4"x1.0" (335x102x256mm)	
Weight	3.5kg (7.7 lbs)	
Power supply	AC 100-240V	
Power Consumption	290W, <1W Standby Power/350W (STD), <1W Standby Power	
Accessory	AC Power cord, VGA-VGA cable, User Manual (CD), Remote Control, Batteries for Remote, Lens Cap, Carrying Case	
Osd language	English/French/German/Italian/Spanish/Korean/Simp.Chinese /Trad. Chinese/ Russian/Czechoslovak/Portuguese/Polish /Swedish/Greek/Finnish/Dutch/Danish/Turkish/Arabic/Hungarian	

Projection Size & Screen

Screen size (Inch)	40	80	100	120	150	255
Projection Distance (Feet)	5.0'	10.13'	12.66"	15.19'	19.00"	25.3'
Height (Inch)	20.4"	39.3"	68.5"	81.8"	102.7"	136.6"

The above numbers are approximate and may be slightly different from the actual measurements.

Environmental Protection ROHS COMPLIANT

Vivitek Technology always pays attention to the environmental protection & energy saving. The D9 contains following parts that is RoHS compliant:

- Lead-free solder : used for soldering all parts including circuit component electronics
- Lead-free glass: used for the lens
- Recycled paper: used in the user manuals and packing cartons
- Hi-efficiency power switching: reduces power consumption
- Less than 1w power consumption in standby mode, conforms to the
- American Environmental Protection Bureau to lead the advocate in view of Electronic Products Energy Saving Plan
